Candidates For Water District Election

Here are two candidates for director of the La Mesa, Lemon Grove, Spring Valley Irrigation District, fourth division, election

Bob Rundell

to be held February 4, 1953. Bob Rundell, La Mesa businessman, trying out for the first time for the board, is a veteran active in civic affairs, successful in business in membership of the La Mesa Realty Board, La Mesa Jr. Chamber, La Mesa Chamber of Commerce, La Mesa Kiwanis Club and member of the Methodist Church and the American Legion. He entered the race to "encourage consumer attendance at board meetings" and is developing an information program for the benefit of all district members.

Up for re-election is B. B. "Burt" Fenwick who has served four years on the board. He has been a resident of the area for 21 years.

Grove DTA to Aid With Bloodmobile

Important reports from the Southern Section meeting of the DTA were given last Thursday night at the regular January business meeting of the Lemon Grove District Teachers Association at the Vista La Mesa School. Cedric Stammerjohn, president, called upon Donna Dreyer, Jessie Snel, and Peg Darroch, who told the assembled teachers of recent developments in the fields of teacher legislation, salary, and public relations. Mrs. Darroch also announced the visit of the Red Cross Bloodmobile to Lemon Grove on Saturday, February 28, and urged full cooperation of all association members in soliciting pledges from people in the community.

Additions to and changes of the club by-laws, as presented by Evelyn Whalen, chairman of the organization committee, were adopted by the group. At that time Ben I. Schei was elected to fill the administration post on the salary and evaluation committee.

To prepare a slate of officers for the March election, the following people were nominated and elected to the nominating committee: Evelyn Whalen, Ellen Berdel, John Strawn, Roberta Smith, and Geraldine Bell. Madge Lowery, of Monterey Heights School, was elected to a vacancy on the organization and by-laws committee.

S. K. Solleder, assistant superintendent, spoke briefly to the teachers on the problem of teacher recruitment and complimented the Lemon Grove association on the excellent reputation they have as an active club in the county and the Southern Section.

Next meeting of the group will be held on February 26 at which time a program will be presented under the direction of Hal Brogan, vice president.

85 HOMES IN NEW LEMON GROVE PROJECT

Left to right: Hub Brown, Gene Shepherd, J. B. Pearce, Clay Young. The group, except for Pearce, are members of the Tremont Investment Co.

A new residential development comprising more than 80 homes on a 20 acre tract east of Imperial between Palm and Lincoln Streets was announced this week by Jim Pearce, prominent local real estate broker. The property purchased by the Tremont Investment Company of San Diego was obtained from several local property owners with W. P. Zilker releasing the bulk. Zilker sold about fourteen and one half acres of the area, the balance being in small parcels belonging to the property owners. The entire deal was handled by Pearce. The Tremont Investment Company recently completed the similar sized Horton project west of Lemon Grove at Euclid and Broadway.

"Preliminary work is underway to get the area in shape for the actual ground breaking," Pearce said. "This project, less than one half mile from the business section, will add greatly to the fast expanding business economy of Lemon Grove."

"MOTHER'S MARCH" TO COMPLETE "DIMES" CAMPAIGN

The nation-wide wind-up of the current March of Dimes campaign comes Thursday when Miguel School where local March P. T. A.'s across the nation send their mothers on the famed "Mother's March," February 5.

In Lemon Grove some 100 members will canvas every residential block between seven and eight P. M. on that evening.

Under the guidance of Clarence H. Allen, principal of the Vista La Mesa Elementary School, representatives of the five local P. T. A.'s will make the calls. The signal for contributions will be a lit porch light. Residents may contribute their dime, or more, if they will turn their light on promptly at seven.

Members of the canvassing teams will complete their chore

from Palm Avenue feeding into the development. These entrances will be between Citronella and Washington and forming a connecting arc. The first building will be open every day till the project is completed.

Because of the effort by Pearce in the negotiations the developers have named it "Pearce Manor." Pearce will also be sales representative for the builders.

Mac Queens To Reopen Tuesday After Resting Up From Marlins

The traveling MacQueens are back in town. Mac and Carmen, fresh from a Mexican 4 weeks vacation are readying the Avalon Cafe for reopening.

The MacQueens made a circle tour of Mexico starting down the center to Vera Cruz, across to Mexico City, then to Guadalajara and up the west coast.

They took time out at Mazatlan for each to take a marlin. "That's what makes it a vacation," Mac opined.

They report that the trip was wonderful, they had no car nor tire trouble and they are all rested up for a long spell of hard work.

Presently they are making improvements in the cafe against the opening Tuesday.

Lions To Raise \$500 For Uniforms

The Grove Lion's Club will raise approximately \$500 for the Lemon Grove School band it was decided by the membership last week.

The amount is to complete the uniforming of the school group, a project underwritten last year by the Lions.

A scrap metal drive was the main project and by considerable effort the uniforms were obtained in time for the fall parade.

The Lemon Grove band, because of their uniforms were able to enter the North Park Toyland Parade. They were prizewinners.

Grove Chamber Meets With VLM Civic League

Roy Nielsen, president of the Grove Chamber of Commerce, was speaker at the Vista La Mesa Civic League Monday night where he reviewed the increasing complexity and number of the problems accompanying Lemon Grove growth.

Nielsen emphasized the advantages to be gained through cooperation of such areas as Vista La Mesa, Monterey Heights, and American homes with the local Chamber in seeking solution to their common problems. He also described the necessity for organizing civic control groups to work out deficiencies in service with County officials.

An invitation was extended the league to meet with Lemon Grove Chamber at regular sessions.

A Thousand Persons And A Thousand Dollars Is Dime-Dance Record

Lemon Grove's Dime March Dance was called an unqualified success by community leaders after nearly 1000 persons danced away a pleasant evening in the interest of charity, Saturday.

While the large turnout greeted the various floor show acts with enthusiasm, the high spot of the evening came when television star Monte Hall made an unannounced appearance and spent the evening emceeing the show.

Said Channing Mason, co-chairman of the local Dimes campaign, "This shows what can be done when a community unites behind a necessary cause."

Tom Warburton, who shared the chairmanship with Mason expressed pleasure in the turnout. "While we were gratified, we know that such an event is only as big as each individual makes it."

Bob Browne, Kiwanis-named ticket chairman said that about \$1000 in tickets had been sold. "It will take several more days to check out each of the organizations, clubs and individuals to representative for the builders."

LETTERS TO THE EDITOR

Lemon Grove Review
Dear Mr. Goodwin:
One of the most deplorable traffic conditions in our community is at Broadway and Massachusetts. It is incomprehensible that such a dangerous intersection has been allowed to go uncontrolled. Most of us who use this corner feel that some steps should be taken to help this situation. We would prefer traffic signals, but would settle for a 4-way stop.

In addition to the dangers inherent in an uncontrolled intersection there is also the disadvantage of long waits for traffic breaks by vehicles on Broadway. Can you find some way to lead us to assistance on this simple but desperate problem?

Principals in Local Automotive Deal

Dail Hamilton, Ted Haaf and Rolla Hamilton complete garage negotiations.

Major changes took place last week on the local automotive front when the Hamilton brothers, operators of the Texaco station at Broadway and Main, purchased the automotive business of Ted Haaf, Imperial and North Palm, who resides at 7825 Haaf, active in the general area since 1932, purchased the garage in 1944. He was president of the local chamber of commerce in 1950 and it was during his term that the Youth Center was developed and built.

He achieved further civic stature as president of the San Diego County Development Federation for two years. He is active in local Masonry, too.

The Hamilton brothers have been in the community since 1919.

R. E. and Dail Hamilton who have operated their station and garage for six years reported that the pressure of business had dictated the expansion. They will continue to operate the station after they take over the Haaf garage February 1st.

Haaf, active in the general area since 1932, purchased the garage in 1944. He was president of the local chamber of commerce in 1950 and it was during his term that the Youth Center was developed and built.

He achieved further civic stature as president of the San Diego County Development Federation for two years. He is active in local Masonry, too.

Those on dance committee are Mitchell Murphy, Annette Vanier, Jeanne Wilson, Gaynell Huff, Mickey Soltas, La Verne Helm, Ralph Mastro, Steven McClintock, and Teddy Mangano.

SONJA HENIE ICE SHOW HELD OVER

The Sonja Henie Ice Show will be held over another week, show officials reported at press time.

A complete sell out for the first week dictated the decision.

Review representatives who saw

the opening night show said that it was the "most beautiful ice show he had ever witnessed."

The splendor of the costumes and Miss Henie's incredible artistry makes the show "a must" for Grove families.

New Face For Old Lumber Firm

Face lifting was in order on redwood and gleaming white. Proudly posed around Stephen Westover, the firm's head, are Ernie Sundbury, Ruth Schulte, Westover, Jim Dougherty and Hank Lange.

Much favorable comment resulted from the new motif in

firm's famed landmark, a 65 foot tower, the base of which was dressed to match the new design.

MIL'S MUSINGS

By Richard Milbrodt
With all the current discussion on the serious traffic accident epidemic, many ideas have been forwarded both practical and ridiculous. Ranging the gamut from forcing fatigued drivers to spend a length of time in sleep stations that would be set up at intervals on all highways, to an attempt to prohibit registration of any motor vehicle physically capable of driving faster than 55 Mph, all of the ideas are centered around additional enforcement. One idea that appears to have some pleasure involved besides the pleasure of saving a life, is tax free, and requires no force, we would like to pass on.

In essence, the whole gimmick is aimed at being a party helper. All that is necessary is for the host and hostess of the dinner party, or special gathering, to think up some sobriety tests for the guests. Those that cannot pass the test are then driven home by taxi which the host summons. The tests can be a great deal of fun while saving a potential accident victim. As a suggestion, the guests can be asked to repeat tongue twisters. Like saying, "Red leather, yellow leather" 20 times in rapid succession. Of course some can't do this sober. But then we thought

Co. Sups. Transfer Brookside to LM-SV School District

The County Board of Supervisors ruled at a January 20 special hearing at Civic Center, that the portion of Brookside Homes lying within the bounds of the Lemon Grove School District should be transferred to the La Mesa-Spring Valley School District. This ruling or transfer becomes effective on July 1 of this year.

This action was brought about because of a petition asking that the transfer be considered. Approximately 80 students will be added to the La Mesa schools in the fall and 135 homes will be involved. To the Lemon Grove District it means a loss of about \$50,000 in assessed valuation.

Several reasons were given for the approval of the transfer. As the subdivision sold, part of the project was in La Mesa while the remaining homes belonged to Lemon Grove. All of the residents in the Brookside area have La Mesa post office addresses.

Probably the most telling reason for the transfer was the fact that the residents of that community had no direct access to either the Lemon Grove schools or the business area. At first, only one road, at Campo and Imperial, served the large project. Later, at the instigation of the Spring Valley Chamber of Commerce, another road, leading to the Sweetwater Road and Spring Valley, was constructed. Thus it was more convenient for the people to visit La Mesa as a shopping center than elsewhere.

At a special meeting of County Board of Supervisors on Tuesday, January 27, the group ruled to take no action on a petition from the Vista La Mesa Civic League to transfer that district to the La Mesa-Spring Valley School District. Earlier the civic group spokesman had requested a withdrawal of the petition due to altered circumstances following the outcome of the unification election in the Lemon Grove School District last year. However, because approximately 600 signers were represented on the petition, the hearing, despite the withdrawal, went ahead as scheduled at the suggestion of county council.

No spokesmen from either Vista La Mesa or La Mesa-Spring Valley appeared at Tuesday's hearing. The Board of Supervisors followed the recommendation of County Superintendent of Schools, Dr. Cecil Hardesty, in refusing the transfer, and as a result the Vista La Mesa area will remain within the Lemon Grove School District.

Chamber Board Meets Tuesday

A Board of Directors meeting is scheduled for Tuesday night at the Grove justice court. A vacancy occurring by the resignation of Larry Hunter will be filled.

A report on the local policing problem will also be discussed. President Roy Nielsen said.

Kick-Off Program Has Trained Dogs

A Kick-Off assembly program was presented to the students of the Lemon Grove Intermediate School on Thursday, Jan. 22, under the direction of Mrs. John Cornelius, student body advisor. Frank Furgeson, student council president, introduced Mrs. Robert Hitchcock, well-known for her Padre Puppeteers of Balboa Park, who presented three trained poodles for the entertainment of the student body. Mrs. Hitchcock has visited many schools in the district during this March of Dimes to encourage donations for this worthy cause.

Frank then introduced William Brown, of Ryan Aircraft and at present a law student, who told the children of his experiences as a polio victim at Warm Springs, Georgia. He explained how funds raised through the March of Dimes were used in the care and treatment of polio patients throughout the country.

Two numbers were played by the Lemon Grove School Band, under the direction of Paul Cheatham. Roland Purves led the assembly, in singing the Star

Spangled Banner. At the end of the program, the students bowed their heads in silent prayer for all those who have died or suffered from the dread disease and all pledged full support of the drive. Ronnie Mulder, eighth grade student, played taps.

This week a final assembly program was held on Wednesday. At this time students gave their contributions to the March in cards and envelopes which were distributed after the first assembly. Final count of the funds is being made by Mrs. H. K. Newell, Lemon Grove School P. T. A. Health Chairman, and the amount of the intermediate school contributions will be announced next week.

Helix Choir Representatives To Phoenix

Mike Spinnazzola and Ronnie Whiting have been selected to represent the Helix Choir at the California Western Association Music Conference April 29, May 1 inclusive.

The meeting, to be held in Phoenix, is a section of the National Music Educators' Conference.

Whiting and Spinnazzola will be part of a 400 piece choir made up of outstanding students from the choirs of high school in the states of California, Arizona and Nevada.

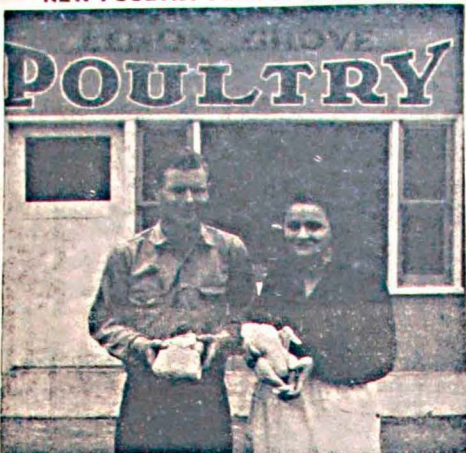

The Boys' participation in this choir will give them the experience of singing with a large group of top musicians of high school age under the leadership of one of the leading directors in the nation.

On the final night of the convention the combined choir will give a concert for the visiting music educators.

We of the Helix Choir are proud to be represented by these two fine boys. We are sure that they will represent our school well, not only in the field of music, but as outstanding school citizens.

You can help, too! Join the March of Dimes.

Trinity Church News

By Mrs. Hugo Larson

On Jan. 20 our church was one year old and we have almost 500 members. We had a fine Congregational Dinner on January 21 at 6:30 p. m. and heard the annual reports of all the organizations in our church. Officers for the coming year also were elected as follows: Elders, Art Dahlquist, Robert Hamann, Andy Hargrave, Don Irwin, Don Klepper, Hugo Larson, Channing Mason, Don McKillop, Schurer Moe, Kurt Muerdter, Paul Rabsahl, Winfred Thomas, Richard Spry, Ed Strong and Charles Wilson. Deacons: Dr. Frank Aves, Robert Bennett, Lloyd Brenn, Russell Case, Mrs. Andy Hargrave, Mrs. Mac Levalien, George McMaster, David Newman, Mrs. Paul Rabsahl, Stanley Stebbins, Mrs. Douglas Stovall, and Mrs. Ed Dimes campaign last week with an assembly program in the school lunch patio. The program featured a trained dog act under the direction of Mrs. Robert Case, Hitchcock of Spring Valley, who donated her time and effort on behalf of the campaign. The final feature of the program was the announcement of the collection among the grade school students. Financial Secretary: Tom Henkle.

JUST ONE OF 9 REASONS TO CHANGE TO A NEW ELECTRIC RANGE

You don't have to be "Scotch" to appreciate the wonderful economy of an electric range. It cooks foods quickly - that saves on fuel. And because it cooks quickly, there's less shrinkage in foods.

The money it saves for you is just one of 9 reasons you should change to an electric range.

Count the 8 other good reasons. 1. It's cool. 2. Clean. 3. Modern. 4. Fast. 5. Dependable. 6. It's healthful - because electric cooking preserves the healthful vitamins and minerals in foods. 7. It makes you a better cook - because it preserves the wonderful flavors of food. 8. And the automatic features save you time, save you work.

Now - step up to modern cooking - make the change to an electric range. See your dealer, today.

Helix Student To New York City

Marlene Minnier, a sophomore at Helix High, has been selected for the Pilgrimage to the United Nations in New York City. This is a nationwide project limited to high school students.

Participants are selected from Sigma Delta Theta Rho, the Glee Club, the Red Cross, the Odd Fellow Lodges. The Pilgrimage occurs the last three weeks of June and is financed by interested local groups.

In the event Marlene is unable to attend, an alternate will be selected from Grossmont. The girl is selected by her local club and must be an active church worker.

March of Dimes Moves Forward At Helix

Helix High Girls' Athletic Association in behalf of the local March of Dimes drive sold donuts during the week of January 12 through 16 on the Helix campus. All proceeds are going to the never ending fight against polio. Up to date approximately \$25 a day has been raised for the fund.

Helix Students Hear Inauguration

Helix High Students heard the inauguration of President Eisenhower. This was made possible by a public address system in the principal's office, which connects to each class room. Helix is the fourth school in the county to have a P. A. system installed. This instrument is the size of a piano and costs approximately \$8,000. Through this system every room may listen to the same program by the operation of 250 switches on the control board.

Each Helix student was able to witness the memorable page in history from which they will tell their children and grandchildren in future years.

Through the courtesy of Mr. Wilson of Wilson Television, civics and history classes were able to watch the inauguration on television.

Grove Hi-Y Elects New Officers

Lemon Grove Hi-Y, on Monday night, January 12, held its weekly meeting at the home of Jay Elston, the retiring president. The new officers are as follows: President, Robert Turnbull, who writes for the Review; Vice-President and Program Chairman, Richard Dierck; Secretary and Membership Chairman, Jim Pratt; Treasurer, William Blair; Chaplain, Joel Gieghorn; and Sergeant of Arms, Ken Stratton.

The service activity in which the club is currently participating is the March of Dimes in Lemon Grove.

The annual trek to Asilomar is the featured attraction of personal achievement for the club members.

Emphasis is placed on organizing school assemblies and aiding in community youth projects.

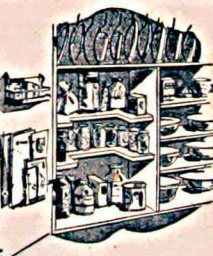

Plan Your Cleaning Closet from SMALL HOMES GUIDE

A closet engineered to fit your assortment of cleaning supplies and odds-and-ends will save you time, energy and temper. Properly planned, it need take up little space.

First, plan what you want to store in the closet: vacuum cleaner, pail, mops, brooms, ironing board, table leaves, or whatever. Perhaps you will also want to use the closet for sports equipment such as fishing rods, golf clubs and guns.

Next, measure the tallest and widest item you want to store in the closet. Your vacuum cleaner will probably be the most awkward. That should fit in without

any skew-hawing. Above it you can place a shelf to hold cleaning equipment—cloths, newspapers, paper bags and dust bag filters for the cleaner.

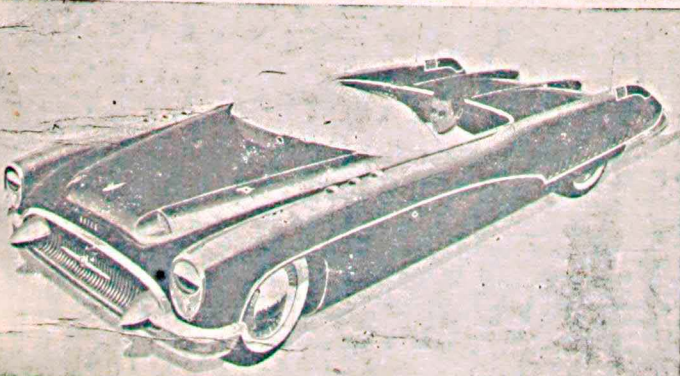

Shelves of special shapes like the L, U and the half-shelf might be the answer to how best to use the space available. The U-shaped shelves shown above hold small items; the center leaves space for tall bottles. Vertical dividers nailed below the lower shelf will keep everything in its place.

An important point is plan to store what is most frequently used at finger-tip length with no reaching and no stretching.

Adequate ventilation at top and bottom is also a must, for safety reasons. Only mops and rags can be dangerous otherwise.

Finish the interior of the closet with a grease and dustproof finish. Glossy or semigloss paint, linoleum or oil cloth left the order.

Buick Unveils New Sports Car

THIS single-seat sports convertible of futuristic design is the Buick Wildcat which will be unveiled at the General Motors Motorama of 1953 at the Waldorf-Astoria Hotel in New York City this week. The experimental model has a fiberglass body and is powered by Buick's new 188-horsepower V-8 engine with the new Twin Turbine Dynaflow. The interior is trimmed in brilliant white leather. A special feature of the car is the "roto-static" front wheel discs which remain stationary while the wheels revolve about them. The Wildcat, designed by the General Motors Styling Section, was built to test the use of fiberglass in automobile bodies.

Helix High Students heard the inauguration of President "The" This was made possible by a public address system in the Principal's office, which connects to each class room. Helix is the 4th school in the county to have a P. A. system installed. This instrument is the size of a piano and cost approximately \$8000. Through this system every room may listen to the same program or each may listen to an entirely different program by the operation of 250 switches on the control board. Each Helix student was able to witness the memorable page in history from which they will tell their children and grand-children in future years. Through the courtesy of Mr. Wilson of Wilson TV, civics and history classes were able to watch the inauguration on television.

Marlene Minnier, sophomore at Helix High, has been selected for the Pilgrimage to the United Nations in New York city. This is a nationwide project limited to High School students. Participants are selected from "Delta Delta Theta Rho," the girls' Auxiliary of the Rebecca and Odd Fellow Lodges. The Pilgrimage

occurs the last three weeks of June and is financed by interested local groups. If Marlene is unable to attend this shindig, an alternate has been selected, from Grossmont, to take her place. The girl is selected by her local club and must be an active Church worker.

"Highland Highlights" . . . The Helix High School choir was chosen to sing at the Southern Section of the Music Educators Regional Conference. It will be on February 28 . . . Topic: What do the girls think of the boys of Helix? Leslie McAvoy, 12 . . . "Oh, they're all right. But my interest is elsewhere." Mary Alice Rigley, 12 . . . "There are plenty of boys; but a man shortage." Jackie Coyle, 11 . . . "They have nice personalities and they're O.K., except for their odd-combed hair, collar turned up, and levis at half-mast." Rene Wilson, 12 . . . "Ha! Oh! they're alright. (I guess)." Carol Covert, 11 . . . "Ha! Ha! Ha! There's not enough of them," and Helen Whiting, 10 . . . "Oh, I think they're real fine" . . .

Beige Wool Jersey

Beige wool jersey is used for big occasions when it looks like this. The sweater top has a ribbed scooped neckline which is cluster-beaded and embroidered with sequins. The full skirt falls into soft unpressed pleats.

form a straight line, with hips tucked under and the tummy pulled in.

Hair, too, needs daily attention. First on the list should be hair brush or even two, for brushing with two goes more quickly than with one. Watch your parting, too, if you would have a nice well-managed hair-do. To find the natural part, brush hair back, push hair gently forward with both hands and let it separate by itself.

Don't forget to pin the hair nightly into little curls to keep the curls bouncy and springy. If you're going out for the evening, a quick way to set hair is to use a bit of cologne and place in pin curls. Just an hour or a little more in these curls will make the hair nicely curly and manageable.

Clear, Smooth Skin
Spells Good Grooming

Cooler weather, harsh winds and snow may make even a normally supple skin dry out. Use a lubricating cream in the morning to restore its pliability, and use a cleansing or night cream as your skin requires.

Cleansing grains are excellent for working out blackheads in skin

as well as for smoothing those flaky patches caused by dead skin. Don't forget, too, that cold water splashed on the face has an excellent astringent value for stepping up circulation, add color and good tone to the skin after cleansing.

Choose cosmetics carefully and apply with skill. Powder, rouge and foundation are chosen to harmonize with your hair and skin, while lipstick must harmonize with hair and skin as well as costume. Slight variations can produce interesting effects, naturally, but always stick to the same general colors.

Eye shadow should blend with the color of the eyes, but mascara is always chosen to go with the hair color. Excessive amounts of either of this make-up is to be studiously avoided.

Plan to wipe off excess powder and rouge or lipstick with cotton quilted pads or cotton balls. You'll also find these are excellent for blending eye shadow as well as softening rouge or brushing excess powder from the hairline.

Keep Clothing
Fresh, Wearable

When you've been invited out and get such thoughts as "I haven't a thing to wear," take a look at your bulging clothes closet. It probably isn't true that there's nothing to wear, but it may be a fact that what you have is not in wearable condition.

Keeping clothes, fresh, clean and ready to put on does require some care and attention, but it can and should be done, daily and weekly. A few things in perfect condition will guarantee your looking nice for any occasion, and how much better than a drawer or closet full of things all of which need some minor work on repair.

Take everything out of the closet and try on, and then repair and clean those as needed. Do the same with your drawers for lingerie and accessories. If you don't have time to do everything in the way of repair, right after inspecting, make a list, pin notes on the garments, and then schedule the work for the next few days.

Keep a drawer or two with accessories in perfect condition. In it you'll always have spanking clean handkerchiefs to add a neat touch to your costume, a scarf or two to add bright fresh color to a suit, gay flowers, kept steamed so they won't look tired and at least one handbag, clean and immaculate, and a pair of fresh gloves, collars and cuffs.

Relieve the clutter of closets and drawers by removing anything which is not worn. Never used accessories and dresses are wasteful and they crowd those things which

WOMAN'S WORLD

With Good Grooming You'll Look Your Best for Holidays

By ERTTA HALEY

HAVE YOU BEEN wishing you'd look prettier, especially for the holidays? That will be the time for getting together with old friends and new who haven't seen you for a time, perhaps.

Wouldn't it be nice if everyone you'd meet would say, "I've never seen you looking lovelier." Wishing won't make it so, but careful planning and faithful attention will, so why not start today?

Few women are born beautiful, but many can give the impression of beauty, and this within every one's power. Prove it to yourself by promising to follow a faithful routine for a month, and you'll be able to add plenty of results in just the first week to keep you going for the whole thirty days.

Now, then, there are certain things to do daily, and some weekly. You probably do some of these already, possibly somewhat thoughtlessly. Give each item its proper due and it will pay big dividends in good looks.

Give Yourself These Weekly Specials

Shampoos are usually weekly affairs because clean hair is an essential of every woman who would be beautiful. Use your favorite

Daily bathing is as essential . . .

shampoo, but do it twice, because the first washing gets only the surface dirt and doesn't give much of a lather.

Make certain all the shampoo is rinsed out. Your hair should be almost squeaky after the rinse, it will be so clean. You may use a rinse, of course, or a hair dressing to keep it in place.

Weekly manicures and pedicures help tame your nails to perfection and you'll be able to pass close inspection. You'll feel good, too.

Don't let your eyebrows get to looking like a weed patch. Pluck a few hairs weekly to keep a clean facial line and then you'll never have to do a big overhauling job. Pluck only under the curve.

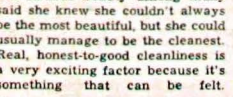

Legs and underarms will usually need weekly attention, so use a razor or a depilatory cream as you prefer, for the defuzzing job.

Check your weight weekly, too. If you've put on a pound or two, do something about it right away. It's much easier to get after one or two pounds than wait for ten or twenty to take off, and think about how your clothes will look!

Complexion problems? Sometimes these are dietary, and you can check by keeping a weekly list of foods eaten. If it's heavy on sweets or fats or starches, bring the diet into better balance.

Strive to be Cleanest With Daily Effort

A famous beauty among many said she knew she couldn't always be the most beautiful, but she could usually manage to be the cleanest. Real, honest-to-good cleanliness is a very exciting factor because it's something that can be felt.

Furthermore it's easy to attain with all the conveniences available.

Start your day with a good brisk shower, and close it with a bath full of nice suds and one of those big brushes that you can use on your back or your feet and legs hardly moving at all while you luxuriate in suds. If perfumed salts or oil will make the bath a more exciting routine daily, then use them.

Whatever you have to do daily, such as bathing, should be pleasant enough so it doesn't become monotonous. Make yours enjoyable!

Don't forget to check your posture daily. In fact, every time you can see yourself in a full length mirror, try to catch yourself unaware and observe critically your

"Lemon Grove Hi-Y" L. G. Man Has Pass in Germany

Robert Turnbull

The Lemon Grove Hi-Y held its first 'new officers' meeting, last Thursday evening at 7:30 p. m. on January 22, at the home of Jay Elston. Besides the regular 15 members, we had 9 guests, with more fellows coming to our next meeting. The president called the meeting to order with the standard Hi-Y ritual; our Chaplain led us in a prayer; we welcomed all visitors and guests; then our new Secretary read last meeting's minutes, and they were approved; it was discovered that our Treasury had an over abundance of money in our vault, totaling all of \$5.08. Also discovered was the fact that the Lemon Grove Kiwanis Club had \$100 set aside for us. There was no old business, but plots of new business, seeing how this was a business meeting. The President told the members of a project (service) for them, and they unanimously voted it in, and that was selling ASB Play tickets to everyone they could. We planned to hold joint meetings in the near future, and it was rumored that we would have some movies for next week's meeting. After saying the Lord's Prayer, we adjourned our hour meeting for refreshments. The names of the boys that are regular members are as follows:

Willie Blair, Bobby Williams, Ronnie and Bernie Svalstad, Roscoe Lawler, Jim Pratt, Ronnie Netley, Joel Gleghorn, Tom McCabe, Ronnie McGuire, Ken Stratton, Dick Diedrick, John Bates, Jay Elston, Brian Herald, and myself. The guests and prospective members are Bob Adams, Dan and Don Ahrensburg, Harold Alexander, Bill Bloom, Jim Barrow, Howard Hawkins, Judson Bowers, Larry Shaw, Manuel Lara, Fred Toozie, Bill Bame, Jim Heim, and Jerry Jinett.

'Jack' Harwell Sells Insurance Business

The D. R. Grable Company of 4810 El Cajon Boulevard, has taken over the insurance business operated by A. H. "Jack" Harwell.

Harwell operated his insurance business in conjunction with the real estate business at 7880 Broadway in Lemon Grove. He will continue in the real estate business.

The Grable Company has been active in both real estate and insurance business in this area and is assigning Robert Hamrick to handle the business in the Grove.

Adventists To Attend Loma Linda

Missionary Volunteer officers and Pathfinder leaders of the La Mesa-Lemon Grove Seventh-day Adventist church will attend the Annual Institute to be held at the Loma Linda, California, church on February 7. Time magazine for January 26 will carry the story of Elder Richards and the world-wide radio program that he put on the air over one Los Angeles station ten brief years ago. The Friday evening Missionary Volunteer meeting for this week at the La Mesa-Lemon Grove Seventh-day Adventist church will be in charge of Charles Knowlton, and will feature vocal and instrumental music.

Mrs. Olney Passes On

Mrs. James D. Olney, President of The Parents Guild of St. John of the Cross School died suddenly on January 18th. The cause of death has been accepted as a clot in the heart.

She had been an outstanding member of the Guild in furthering the many activities connected with the Parochial school. Not only had she been a guiding light for Guild work but perhaps its most active participant in assisting the staff at the school in its advancement.

She had first served the Parent's Guild during the first administration in 1949. The next year she served as Ways and Means Chairman. The Guild members will long feel the loss of one of its most ardent and zealous members. She is survived by her husband J. D. Olney, two daughters Janet and Jeanne. Also by her mother and father Mr. and Mrs. Anton Permentel.

Golden Avenue School News

Members of the Golden Avenue School Student Body have organized a clean-up committee to aid in keeping the grounds neat and attractive. The committee, composed of a chairman elected by the council and a representative from each class, meets south of Room 5 each Friday morning at 9:10 to pick up loose papers from the grounds and from around the school fence. In these ten or fifteen minutes each week, this committee accomplishes so much that the school gardeners have more time to devote to the planting around the school.

Groceries for "Dimes" Swells Chest

Beatrice Garber, operator of the Hilltop Chateau deposits the total of her grocery bill in a March of Dimes iron lung at Hammerstein's Market at Broadway and Massachusetts, as Owen Sharp, member of the firm looks on. Mel Hammerstein is contributing the receipts of one half day to the March of Dimes. Business firms in the area contributing generously have helped bring the \$5,000 goal in sight.

Ted Fellers Becomes Triple Uncle

Don Fellers, brother of Ted Fellers who is operator of Pal's, reports triplets from his home in Gallatin, Missouri. Don lived in

the Grove area for five years and returned to Missouri three years ago. This is believed to be the first set of triplets in the county in which he resides. The entire family is doing well except Ted — who has demanded a recount.

This is a small section of the crowded dance floor at the Dimes.

Leone Goes Western With Pizza and Dance

The Texas Round-Up Boys Orchestra will play for dancers every Saturday at Iggy Leone's Cafe at 3015 Imperial Ave.

Western style music will be featured although some sweet, swing and pop will intersperse the wide-open-spaces type of music.

The western motif will be carried out even to the spaghetti and pizzas, Leone reported. We're going to have western style Italian food.

Camp fire singests will be part of the entertainment, he added.

There will be no cover, minimum or admission charge.

Lion Delegates Report On State Meeting

Mr. and Mrs. Forrest Baxter and Mr. and Mrs. Roy Irvin, Grove Lion's Club members were delegates at the Lion's Club Convention recently in San Francisco.

Report of the three day meeting was given at a luncheon meeting last week. The luncheon, incidentally, was voted the "mostest and the bestest" of any food in recent years. Reason: It was cooked and served at the Youth Center by member's wives. Mesdames Bob Von Willer, Al Cole, Pete Woods and Paul Lower served fried chicken with all the trimmings.

The membership agreed that it should happen more often.

Thousand Dimes

...at an exact total," he said. The March of Dimes bankroll has swelled to the nearly \$3000 by local officers reported, with several other events and sources of income yet to be heard from. Bulk of the remaining income will be from the iron lungs which are strategically distributed throughout the community.

Another balloon sale coupled with a cut flower sale will wind up the month on Saturday. Yet to be heard from are the local schools, and a report from San Diego headquarters on the returns from headquarters distributed Dime Cards.

Helix students who have contributed so generously are expected to grind out two or three hundred dollars more.

Collateral events are: contest between the town's two leading taverns, with huge jars set up asking patrons to beat the competing tavern.

An inter-club meeting given Wednesday by the local Kiwanis with the La Mesa Kiwanis in attendance will pour additional dollars into the fund. This luncheon meeting is being held in Encanto at Tommy Gillett's Hayloft. Gillett is donating the entire receipts of this luncheon to the Grove March campaign.

Hammerstein's Market is dropping receipts from 1/2 day's sale into the "lung" at his store.

Chan Mason has set up a table with pet and farm items on it as a "white elephant" event with the entire proceeds going into the fund.

Popular Delicatessen installed a table loaded with delicacies telling patrons to take their choice, and pay what they want by dropping their contribution into the "lung."

A complete run-down of organizations and clubs, and individuals will be made next week. A final total of funds cannot be made until after the "lungs" are opened. The campaign will end with the Mother's March on February 5.

4-H Youths Tell Safety Hazards

The kids who know safety best agree that one of man's oldest and simplest inventions is one of his most dangerous. Forty young safety experts who attended the 31st National 4-H Club Congress in Chicago Nov. 30 to Dec. 4 were asked to list their ideas on how to prevent farm and home accidents. They responded with suggestions ranging from picking up loose baling wire to putting safety shields on power machinery.

But almost all of them singled out one often-overlooked hazard for emphatic mention: stairs. Man invented stairs thousands of years ago. But the young folks apparently observed, while making safety surveys under the National 4-H Farm and Home Safety Awards Program, that he still hasn't learned to go up and down them without risking a broken neck.

Some 400,000 4-H youths from coast to coast took part in the safety program, sponsored for the eighth consecutive year by General Motors. GM gave the 40 state winners expense-paid trips to the 4-H Congress, including \$300 college scholarships to the eight national winners. "Keep stairs uncluttered!" warned Eileen Holbach of Minot, N. D. Ralph Walker, Biddford, Me., was even more specific. He urged everyone to "keep the stairs clear of all roller skates." Other safety winners advised frequent check and repair of steps, or suggested handrails to reduce the likelihood of falls.

Stairways should be well lighted, they agreed, and Agatha Jean Bell of Bolivar, W. Va., recommended painting the bottom step white to make it conspicuous.

Farm machinery and its hazards drew frequent mention. Beth Fuhr Smith of Poplarville, Miss., one of the 300 scholarship winners, suggested this simple rule for avoiding accidents with farm equipment: "Know the correct way to use all tools and machinery."

Other suggestions included labeling poisons, frequently checking electrical equipment, keeping inflammable materials away from buildings, confining bulls and other dangerous animals in sturdy pens, putting corbs on sharp objects, keeping children off farm equipment and away from stoves, storing pitchforks and other tools in a special place, and many others.

AUTOMATIC Gas Clothes Dryers

and... THEY COST SO LITTLE TO PURCHASE, INSTALL & OPERATE!

Operating costs of an automatic Gas Clothes Dryer can be measured in pennies.—on the average, less than 2¢ per load,—thanks to the economy of gas fuel.

And it SAVES YOU MONEY in so many, many other important ways: An automatic Gas Clothes Dryer needs no expensive installation or connections . . . requires no costly repair jobs . . . And . . . it actually cuts down on clothes and linen bills! A new automatic Gas Clothes Dryer makes laundering so quick and easy that you need only half as many sheets, towels, table linens etc.—and only half as many clothes for growing children, too!

Yet, the installed price of a Gas Clothes Dryer is so little! Figure out the savings in time, work and expense; you'll find you simply can't afford to be without an automatic Gas Clothes Dryer.

CHOOSE FROM THESE FAMOUS MAKES:

- APEX • BARTON • BENDIX • BLACKSTONE • DUCHESS • EASY • HAMILTON • KENMORE • M-W SUPREME • SPEED QUEEN • THOR • WHIRLPOOL

Our Year-'Round Valentine

Furniture Fashions By McMahan's

The only position which medi- evening activities when a short cal men say takes the least heart period of times is spent in the effort is demonstrated in a con- chair daily.

These chairs, as with other items at McMahan's, may be bought without cash and years in which to complete the pay- ment at the Lemon Grove Mc- Mahan's store.

A contour chair, say they, of- fers the proper position for com- plete relaxation and a resur- mance of energy comes quickly and surely in one.

Busy home-makers, business persons and factory workers find it easier to do the day's chores, with more energy leftover for indirect lighting features.

CITY COUNCILMAN ARRESTED... Oakland's city councilman, Lester Grant, breakfasts in bed, but not at home. He enjoyed his meal in the Oakland, Calif., city jail where he was serving five days as an aftermath of a traffic violation. He expects to run for mayor next election. He was fined \$35.

Scientific healing rests today, as in Jesus' time, on the under- standing that man's source is in God. Love. This is pointed out in the Bible Lesson on "Love" to be read in all Christian Science churches on Sunday.

A selection from Jeremiah (9:24) constitutes the Golden Text: "Let him that glorieth glory in this, that he under- standeth and knoweth me, that I am the Lord which exercise loving kindness, judgment, and righteousness, in the earth."
Luke's Gospel records: "A cer- tain blind man sat by the way side begging: . . . And he cried, saying, Jesus, thou son of David, have mercy on me . . . And Jesus . . . asked him, Saying, What wilt thou that I shall do unto thee? And he said, Lord, that I may receive my sight. And Jesus said unto him, Receive thy sight: faith hath saved thee. And immediately he received his sight, and followed him, glorify- ing God" (Luke 18:35,38,40-43).

Helix High Polio Victim Improves

Kathy Bradshaw, a student at Helix, entered school with happy anticipation of her junior year. This was abruptly ended when she was stricken with Polio early in the semester. Since that time she has been in an iron lung. It is now possible for her to re- main out of it for a period of only three minutes a day. With- out the fund created by the March of Dimes, these lungs would not be available since the cost of operating a lung runs approximately \$50 a day.

Since one of their own students has been stricken, Helix High- landers are working harder to see that their goal of \$1,000 is reached. They are looking for- ward to the time when Kathy will be back in school.

Rebekah Lodge 409 Meets Wednesday

Mesa Jewel Rebekah Lodge No. 409 will meet Wednesday, Feb. 4th, at 7:30 p. m. with Mrs. Pennelle Adams, Noble Grand presiding, assisted by Mrs. Ver- dah Lyne, Vice Grand, at 8263 La Mesa Blvd.

Mrs. Gladys Rumpf, district deputy president of district No. 51 will make her official visit to Mesa Jewel Rebekah Lodge. Miss Georgia Bradley, deputy marshal will accompany Mrs. Rumpf, the honored guest of the evening and escort her to the platform. Also honored will be deputy grand officers and staff. Mrs. Rumpf will instruct in the ritual- istic work of the order.

Mrs. Mary Odgers, Right Sup- porter of the Noble Grand will present a gift from the lodge to the honored guest, and Mrs. Irene Hoss will present the gift to deputy marshal.

Camp Session Credit Is Prize In Cookie Sale

The Lemon Grove Scout Of- ficials will give one full camp session credit to the top sales girl in the annual Girl Scout Cookie Sale now in progress.

To the runner-ups will go a \$10 camp credit to an Inter- mediate Girl Scout and a \$10 camp credit to a Brownie.

County Medical Association on 24 Hour Call

Emergency medical care ser- vice is available to residents of this area on a 24-hour, "round- the-clock basis, officials of the San Diego County Medical So- ciety reminded the public today.

The emergency telephone num- ber is Main 2011.

In commenting on the service, a spokesman for the Society said:

"If, in the rare instance you are unable to reach your own personal physician, a phone call to this emergency number will bring a doctor to you as quickly as is humanly possible.

"Best of all, we suggest that you arrange now for your own personal physician who will care for you in any emergency."

The telephone number is being advertised in all newspapers as a public service of the members of the San Diego County Medical Society and is a part of the state- wide public relations program of the California Medical Associa- tion.

Helix Gym Completed

Helix Lassies are the envy of this area. Their beautiful new gym has been completed. Class- es began January 5. Each girl has a locker for her gym clothes and two girls share a locker for street clothes. In order to main- tain a well groomed appearance full length mirrors were placed by each set of lockers. Even hair dryers were installed. There are fifty showers.

A wonderful recreation room was built for dancing and other activities.

Physical Education teachers feel fortunate to have such a modern gym.

League of Women Voters On UNESCO

San Diego League of Women Voters will conduct a public workshop on "UNESCO and the public schools" on Thursday, January 29, at the San Diego Hotel. A panel discussion, ar- ranged by League members, will be preceded by a luncheon at 12 noon. Mrs. Frank Davis, League president, who will preside at the meeting, has emphasized that the meeting is open to the public.

Rev. Apra In Series Of Sermons

Starting next Sunday Rev. Apra will have a series of eight sermons to take the place of the Confirmation Classes. The les- sons and quiz will be given out on Sunday mornings so that the entire family can study them to- gether at home. The subjects to be introduced will be "The Bi- ble," "God," "Man and Sin," "Prayer," "Jesus Christ," "Salva- tion," "Christianity" and "What It Means To Be A Good Christian Church Member."

Mrs. Harold Hensley, 7249 Cen- tral Ave., is starting a Cherub Choir for all church primaries and kindergartners to meet each Wednesday at 3:30 in Friendship Hall. Story hour and activity will follow the practice time until 4:30.

Give Voluntarily to the March of Dimes.

Monterey Heights School News

The Monterey Heights School Student Council held an election of officers for the second semes- ter last week. Wayne Stephens now heads the group as presi- dent; Robert Nelson, vice presi-

dent; Leon Hawkins, secretary- treasurer.

The student body, grades sec- ond through fifth, voted in the election under the supervision of Leslie Killorn, Allen Johnson, and Michael Lovely, members of the election committee. This news was submitted by Karen Miller, assistant secretary.

Diplomas Go To St. John's Terpsichoreans

Weekly square dances at the Auditorium of St. John's of the Cross Church have achieved another milestone. The dancing, which is under the auspices of the Ways and Means Committee of the Parents Guild will continue this year, hoping to arrive at a greater degree of accomplishment.

Last Friday night was quite a ceremonious one for the participants of the weekly sessions. Those who had begun in the fall when the classes were started, were duly graduated with diplomas and fitting admonition from the instructors. Over 90 Diplomas were awarded passing the members on into the intermediate classification. Four squares of these were Juniors who had completed.

Following the Graduation ceremony a club was formed and officers elected. The name has not been decided upon as yet but he elected officers were as follows: President, Mr. E. Torkelson; Vice-President, Mr. J. Blank; Secretary, Mrs. June Bierly; Membership, Mrs. E. Torkelson; and Miss Pat Mouillesseaux.

A beginners class for children will be held on Tuesdays from 7 to 8:45 p. m. the 2nd and 4th Tuesdays of the month. The intermediate group will meet on Friday nights as usual.

Florence Stocking and Fay Cowden to Attend L.A. School Conference

Two teachers, Florence Stocking of Monterey Heights School and Fay Cowden, who teaches the exceptional class at Golden Avenue School, have been selected by the administrative staff of the Lemon Grove School District to attend the Second Annual Good Teaching Conference in Los Angeles on February 6 and 7. Nominees from each school in the district were presented by the building principals and, with the assistance of both the superintendent and assistant superintendent, two representatives were chosen.

The conference, sponsored by

CTA Southern Section, will take place on the USC campus. "Teaching for Good American Citizenship" will be the theme. In 1952 the meeting was attended by more than 600 delegates from over 160 local districts. Attendance this year is expected to be even greater. The two delegates from Lemon Grove will report to the teachers association, which is sharing the expenses of the representatives with the school district, and the administrators, possibly at a district-wide faculty meeting.
